2022年第五届图像与图形处理国际会议

ICIGP 5th 2022

January 7-9, 2022

2022年1月7-9日

中国北京林业大学

Beijing Forestry University, China

The first four editions of the conference took place in Hong Kong, Singapore and Online, and each was a success. This has encouraged the organizing committee to take this tradition to the next level by organizing the 5th edition of this conference in Beijing, China, where all stakeholders working on various aspects of image and graphics processing can come together. The aim is to make this event a forum for discussion, knowledge exchange and fruitful interactions among participants in this exponentially growing field. 2022 The 5th International Conference on Image and Graphics Processing (ICIGP 2022: <http://www.icigp.org/>) will be held at **Beijing Forestry University, China** during **January 7-9, 2022**.

Due to the uncertainty of COVID-19 situation, online presentation / online attendance will be considered (with discounted registration fee) if physical presentation is not feasible at the time of the conference.
