

The 8th International Conference on Image and Graphics Processing

January 3-5, 2025 | Macau, China

CALL FOR PAPERS

MACAU, CHINA JANUARY 3-5, 2025

The 8th International Conference on Image and Graphics Processing (ICIGP2025) will be held during **January 3-5, 2025** in **Macau, China**. ICIGP 2025 is co-sponsored by **University of Macau, China** and **Beijing Institute of Technology, China**; assisted by University of Central Lancashire, UK and Shandong Marine Resource and Environment Research Institute, China.

The field of image and graphics processing is rapidly growing and evolving, with new techniques and applications emerging all the time. ICIGP 2025 is an excellent opportunity for researchers, academics, and industry professionals from around the world to come together and engage in lively discussions, exchange ideas, and form valuable connections with fellow professionals and experts in the field.

SUBMISSION

>>>Submission Requirements

1) Language

English is the official language of the conference; the paper should be written and presented only in English.

2) [Template Download](#)

3) Submission Types

* Abstract submission for presentation only without publication.

* Full paper submission for both presentation and publication.

4) Paper Length

Each full paper should be no less than 8 pages, and the maximum paper length is 10 printed pages, including all figures, tables, and references, and extra page will be charged.

>>>Submission Methods

Submit your paper to Online Submission System:

<http://confsys.iconf.org/submission/icigp2025>

Or to icigp_contact@163.com

>>>Important Dates

Submission Deadline: July 30, 2024

Notification Deadline: August 30, 2024

DOCTORAL CONSORTIUM

Eligibility

Students should be conducting research in digital image processing and be within one year (before or after) of graduating with their doctoral degree.

Submission Guidelines

Students that meet the eligibility requirements should submit an application to icigp_contact@163.com. You need to submit the following as a single pdf file.

1. Your CV and list of publications.
2. One first-author paper which you are most proud of.
3. The title and abstract that you will present at the consortium.
4. Three specific questions you have for your mentor.

Program Overview

Jan. 3	10:00-17:00	Registration, collecting conference materials
	14:30-17:00	Campus Tour
Jan. 4	09:00 - 12:00	Opening Ceremony & Keynote Speeches
	13:30 - 18:00	Invited Speeches & Author Sessions
	18:00 - 20:30	Award Ceremony & Dinner Banquet
Jan. 5	09:00 - 12:00	Invited Speeches & Doctoral Consortium
	13:30 - 18:00	Invited Speeches & Author Sessions

CALL FOR PAPERS

Track 1. Image Processing Techniques and Applications

- Image segmentation and feature extraction
- Medical image processing and analysis
- Image analysis and understanding

Track 2. Computer Vision and Pattern Recognition

- Machine learning for image analysis
- Face and gesture recognition
- Deep learning for vision

Track 3. Computer Graphics and Animation

- Virtual and augmented reality
- Computational photography

Track 4. Multimedia Technologies and Applications

- Multimedia content analysis and retrieval
- Immersive and gaming environments
- Social media and multimedia

Track 5. Human-Computer Interaction and Interface Design

- User experience design and evaluation
- User interface design and development
- Natural user interfaces

Track 6. Remote Sensing and Geospatial Image Processing

- Satellite image processing and analysis
- Geospatial data processing and analysis
- Radar and LiDAR imaging

Track 7. Security and Privacy in Image and Graphics Processing

- Image and video encryption and watermarking
- Secure multimedia communication and storage
- Privacy-preserving image and video analysis
- Cybersecurity and image forensics

For more information, please visit: <http://www.icigp.org/cfp.html>

PUBLICATION

All papers will be strictly double blind reviewed by the program committee, and accepted papers of ICIGP 2024 after proper registration and presentation will be published in the Conference Proceedings, which will be indexed by Ei Compendex, Scopus, etc.

*The previous six conference proceedings have been indexed by Ei Compendex and Scopus.

MACAU, CHINA

Macao is full of boundless surprises, concealing a soulful character beneath its glittering surface. Compact but overflowing with diverse experiences, this city beckons travellers with its unique blend of Chinese heritage and Portuguese influences. Its skyline features the juxtaposition of modern marvels with historic landmarks, while the bustling streets pulse with life. Macao stands as a world centre of tourism and leisure, where any sightseeing itinerary can be coupled

with gastronomy, sporting events, art festivals, creative pursuits and other activities. With its multifaceted charm, Macao is a captivating destination that goes beyond first impressions, revealing its true depth to those who peel its layers.
